

No student may be released from school to anyone other than the parent, guardian, or child protective services personnel and law enforcement officers pursuant to law, unless the name of the individual seeking release of the student appears on a list provided by the parent or guardian.

Parents are urged to make appointments with physicians, dentists, special tutors, etc., after school hours. If a request is necessary, parents should make note of the date, time and reason for release. Children cannot be excused without advanced written request by the parent/guardian, and must be released in the care of parent/guardian, unless otherwise noted.

A student may be released to either parent unless a custodial parent supplies the school principal with a certified copy of a court order or divorce decree to the contrary.

The Superintendent shall develop procedures to enable parents and guardians to amend the list of persons authorized to obtain the release of their children.
