

The Board places the responsibility for administering the operating budget, once adopted, with the Superintendent. The Superintendent and duly delegated employees are authorized to implement programs and activities that are funded by the operating budget subject to continuous review by the Board.

All expenditures shall conform to Board policies. Appropriate financial reports shall be readily available to the Board on a current basis. The Board shall be kept informed concerning any fiscal activity that may deviate from past experience, that develops a trend contrary to anticipated positions or indicates any deficiency in the budget plan.
