The Board desires to have the opportunity of receiving the maximum amount of federal funds for which the school qualifies.

There may be instances when it would be advantageous for various members of the staff to make proposals or applications for federal aid. The Superintendent shall delegate such authority in these instances.

The School Lunch Director shall make all applications for federal aid for his/her specific program.

All other proposals and applications for federal aid shall be the responsibility of the Superintendent/designee.

Date of Manual Adoption: February 10, 2015 Johnson City Central School District, Johnson City, NY
