

Primary School (K-2) students are instructed in school bus safety, identifying the location and use of the emergency exits, safety equipment and the first aid kit.

Bus evacuation drills are to be held a minimum of three (3) times each year. The first drill is to be held during the first week of the fall term; the second prior to January 1, and the third prior to May 1.

Date of Board Adoption: September 27, 2011
