

Entry Plaza & Brick Paver Sponsorship Form

Johnson City Wildcat Stadium

The Johnson City Central School District invites you to become a lasting part of Wildcat Stadium by sponsoring one of 1052 brick pavers and having it engraved and placed in the stadium entry plaza. The four different colors and size of bricks will make up the 20' interlocking JC letters to be placed in the middle of the entry plaza. These pavers will be a permanent symbol of your support of JC and of the new stadium. The brick pavers are perfect for families, individuals, alumni and classes, athletic teams and local businesses. There is a sponsorship level for everyone who wishes to take part and have a permanent piece of the new Wildcat Stadium.

The cost of brick pavers range from \$25 to \$500 and vary in size, color and location within the interlocking JC letters. There will be a plaque proudly displayed by the concession stand that will list all the names of those who generously donated to the brick paver project for the \$25 bricks. The final placement of all engraved bricks within the design will be done at random and is dependent on the total number sold when the order is placed. If all bricks are not sold, we will install all orders and continue to offer sponsorship bricks to those wishing to contribute to the plaza project.

Thank you for supporting the Wildcat Stadium Entry Plaza Project.
We look forward to seeing you there!

NOTICE: Your engraving must be 1) your name, 2) your family's name 3) in honor or moratorium of a particular person or family 4) in honor of a graduating class year, school sports team or school club or 5) the name of a business. Your engraving will be reviewed by and must receive approval from the JCCSD Facilities Committee prior to its installation. Copies of the committee's guidelines are available upon request.
