

JOHNSON CITY CENTRAL SCHOOL ATHLETICS JOINS WITH SCHEDULEGALAXY

ScheduleGalaxy is now providing the web-based scheduling system for the Johnson City Central School District's athletic program. ScheduleGalaxy enhances both the scheduling process and public access to contest information.

ScheduleGalaxy also provides:

- Quick public access to team schedules, free from commercial advertisement
- The ability to receive email alerts for any schedule changes
- Directions to contests from your current location to the exact game location via Google maps
- The ability to view schedules, directions and schedule changes from either your computer or smart phone

To access a team schedule, click on the ScheduleGalaxy link on our website and then choose the specific team you are seeking. You will be immediately directed to the homepage which provides a calendar of all athletic contests. You can also choose the sport and team you're looking for from the Quick Toggle menu at the top left of the homepage. Click on the sport and then click on the team to view their schedule. From there, you will be able to sign up for email alerts for any schedule changes for that specific team. Click on a specific contest on either the list or the calendar and both the Google map location and driving directions from your current location will be readily available.

We are pleased to provide our athletics program and community the opportunity to join this enhanced sports scheduling and public information system.
