

*Educational Excellence for a Changing Tomorrow*

**FOR PARENTS:**

Please have your child out to the bus stop 5 minutes prior to the scheduled stop time.

If your child needs to be dropped off to a different location, we will require written permission from a parent the morning of when the change takes place as well as a phone call.

Kindergartners must be accompanied by an adult at the bus stop to and from school. In the event no one is there to meet them in the afternoon, they will not be dropped off.

**ALTERNATE SITES:**

The district will provide transportation to one site other than home for a student if a parent fills out an alternate site form (*found on our webpage*). To keep the child as safe as possible it is important to keep a consistent bus schedule.

**NON-PUBLIC SCHOOLS:**

The district provides transportation of students to private and parochial schools if the distance from home to school is within 15 miles. Parents are required to fill out a form (*found on our webpage*) requesting transportation.

**SAFETY:**

Safety is our #1 priority. We cannot do it without the teamwork of drivers, students, parents and other school staff members.
