

July 2017

Dear 5th Grade Students and Families,

We hope you are all enjoying your summer vacation! Before you know it, you will be returning to school as a 5th Grader! To assist you in being prepared for your first day of school, we have compiled a list of supplies that you will need for 5th grade. We hope that you will find that many of these supplies are available for very reasonable prices at “Back to School” shopping sales. Please bring ALL of your supplies on the first day of school. If you are unable to find some of these items, we will have extra in our classroom.

Please note that there is a “personal supplies” category, and a “shared supplies” supply category. “Personal supplies” indicates items that will be for your child’s personal use during the school year. “Shared supplies” are materials that will be for whole class use.
