Summer 2017

Dear Parents and Guardians,

Hi! My name is Rebecca Buza and I am your child's second grade teacher. I am very excited about the upcoming school year and the privilege of working with your child!

The second grade team has a well-balanced curriculum planned for this year based on the Common Core Standards. The children will be learning about themselves as a citizen in our community and as part of our diverse world. Science will be based on the exploration and discovery of ideas related to the scientific method, matter, animals, plants, and energy. Reading, writing and math will be important pieces of all our daily learning.

Part of a child's success, as a student is the partnership between the students, parents, and teachers. I look forward to working with your family. I thank you in advance for helping your child with their homework and reading with them each night.

We will be continuing to develop math concepts started in first grade and bridging to where students will need to be in third grade. Basic addition and subtraction combinations to 20, are still essential for each student to master. A way for parents to help is to practice with their child daily/weekly at home.

Each day we will be having snack to keep our brains ready to learn. Please send in a nutritious snack with your child each day. Some healthy ideas are: granola bars, graham crackers, fruit, veggies, and popcorn. Please do not send in snacks that have a lot of sugar in them, including candy.

I am sure you are all getting anxious about "back-to-school" shopping. On the back, you will find a list of supplies that your child will need this year. Please send these in with your child as soon as possible.

I look forward to meeting you at Second Grade's Welcome Walk-Through at the end of August and again at Open House this Fall. More information will be coming home concerning the dates and times. Take care, and enjoy the beautiful sunshine!

Sincerely,  
Mrs. Rebecca Buza

## Supply List!

Here are the items that will be needed for your child to have a fantastic time in second grade! Any of the items listed can of course be gently used items. For example, gently used notebooks and folders from last year work perfectly! If you have any questions or problems getting these supplies do not hesitate to contact me on the **Remind** app!

### Supplies Needed:

- 1 Backpack (can be from last year!)
- 3 Folders (can be gently used)
- 1 composition notebook
- 1 box of crayons
- 1 box of colored pencils or markers (optional)
- 1 pencil box

All of the items on this list are to be just for your child and they will not be shared with the class! I appreciate you taking the time and buying these items. Again if you have any questions or concerns getting these supplies please do not hesitate to contact me!

I am very excited to start this school year with all of you!
