## Kindergarten Registration for the 2017-2018 School Year

On behalf of the kindergarten staff, the Primary School, and the entire Johnson City Central School District: *Welcome!*

**We have changed our registration procedure this year. All families will come to Central Registration at the District Offices located in the High School. Please call the Central Registration at 763-1224 to schedule your appointment.**

**YOU DO NOT NEED TO BRING YOUR CHILD WITH YOU FOR REGISTRATION.** Please contact the Student Services office if you have not received your Registration packet. We will be happy to mail one home to you! This packet will include registration forms which should be filled out before you come in to register your child. This includes a brief evaluation that we will use to help us make class lists. If you have difficulty, we will be happy to assist you at your registration time. You will need to present your child's **birth certificate**, an officially signed **record of immunization, photo ID for you**, and **2 proofs of residency**. **We will not be able to complete registration without this information.**

All children who turn six years of age between July 1, 2017 and December 1, 2017 **must be enrolled** in school for the upcoming school year. Children who turn five by December 1, 2017 are eligible to enroll in Kindergarten for the upcoming school year.

The Registration packet will also include a **green Health Certificate/Appraisal Form**. This form should be taken to your pediatrician when you have your child's physical examination.

***If you should decide not to register your child in the Johnson City Public Schools for any reason, please contact the Central Registration at 763-1224.*** Your call will help us in our projections of classes and teacher needs for the 2017-2018 school year.

Assignment of teachers will be at random. **Parent requests cannot be honored due to the need to balance classrooms** with regard to gender, special needs, and class size.

If you have questions regarding registration, you may contact Central Registration, 763-1224. We look forward to meeting you and your child!
