

Educational Excellence for a Changing Tomorrow is the *Vision* of the Johnson City Central School District. In partnership with the community, the district will inspire and promote high education standards, optimizing every student's potential to be a successful, socially responsible citizen.

To accomplish the district's vision and mission as stated above, the Board of Education is committed to working with the Superintendent of Schools, district staff, parents and students to develop a quality educational program designed to prepare all students to be college and/or career ready, so graduates can successfully meet the challenges of an economically competitive, technologically advanced, and culturally diverse twenty first century.

Therefore, the Board adopts the following learning standards for all students in the district:

Standard 1

College and career readiness in reading marked by a steadily growing ability to discern more from and make fuller use of text, including making an increasing number of connections among ideas and between texts, considering a wider range of textual evidence, and becoming more sensitive to inconsistencies, ambiguities, and poor reasoning in text.

Standard 2

College and career readiness in writing, including the ability to plan, revise, edit and publish in a range of types of writing, such as argument, explanation and narrative.

Standard 3

College and career readiness in speaking and listening, including skills necessary to make formal presentations. Students will learn to work together, express and listen carefully to ideas, integrate information from oral, visual, quantitative, and media sources, to evaluate what they hear, use media and visual displays strategically to help achieve communication, adapting speech to context and task.

Standard 4

College and career readiness in effective use of language, vocabulary and the essential rules of standard written and spoken English.

Standard 5

College and career readiness by achieving standards of mathematical practice characterized by the following abilities:

1. make sense of problems and persevere in solving them
2. reason abstractly and quantitatively
3. construct viable arguments and critique the reasoning of others
4. model with mathematics
5. use appropriate tools strategically
6. attend to precision
7. look for and make use of patterns/structure
8. look for and express regularity in repeated reasoning

Standard 6

Students will use a variety of intellectual skills to demonstrate their understanding of major ideas, eras, themes, developments and turning points in New York, United States, and world history; as well as understanding the United States constitution, the basic civil values of American democracy and the roles, rights and responsibilities of citizenship, including avenues for participation.

Standard 7

Students will be able to use a language other than English for communication, and will demonstrate cross-cultural skills and understanding.

Standard 8

Students will actively engage in processes that constitute creation and performance in the arts (visual arts, music, dance and theater) and participate in various roles in the arts, as well as respond critically to a variety of works in the arts. Students will develop an understanding of the personal and cultural forces that shape art and how shapes diverse cultures art and past and present society.

Standard 9

Students will acquire the knowledge, skills and ability to establish and maintain physical fitness, participate in physical activity, maintain personal health; as well as create and maintain a safe and healthy environment using personal and community resources.

Standard 10

Students will be knowledgeable about the world of work, explore career options and relate personal skills, aptitudes and abilities to career decisions. Students will demonstrate mastery of the foundation skills and competencies essential for success in the work place.

To facilitate achievement of the Board's articulated learning standards for all students, the district's administration and staff will be guided by the following:

1. All students will be subject to high academic standards and high academic performance expectations.
2. The district will implement measurable effective instructional strategies for closing the achievement gap among all students.
3. The district will align its core academic subject curricula with the state learning standards, and offer appropriate support services to enable all students to succeed.
4. The same core academic subject curricula will be used in all schools district-wide.
5. The district will use multiple general education approaches, including response to intervention strategies in accordance with Commissioner's regulations, to improve the academic performance of all students.

6. Instructional and professional development activities will be coordinated to reduce student failure rates in core academic subjects at all grade levels.
7. Steps will be taken to identify and address the cause(s) of student dropout, and to reduce the student dropout rate.
8. The district will recruit, hire and retain highly qualified staff.
9. Staff professional development will be designed to enable achievement of the Board's articulated learning objectives and instructional goals.

The district will implement a process of ongoing review to identify and address any obstacles to the achievement of the Board's articulated learning standards.
