*Educational Excellence for a Changing Tomorrow*

July 9, 2021

Dear Wildcat families:

According to the latest information from the state Department of Health, students participating in summer 2021 programs will not be required to wear a mask. The revised state guidelines say that unvaccinated children (which currently includes all students under 12) still must wear face coverings on buses. DOH also requires unvaccinated staff to wear a face covering at all times while indoors.

Please note this pertains to our summer programs only. Further guidance will be provided for students and staff returning to school in September.

Sincerely,

A handwritten signature in blue ink that reads "Eric Race". The signature is fluid and cursive.

Eric Race  
Superintendent of Schools
